

Public Notice - Request for Qualifications

The Nashua Regional Planning Commission is calling for submittals of qualifications to provide on-call engineering services in support of transportation planning efforts throughout the Nashua Regional Planning Commission area. The projects include preliminary research to support freight planning and Intelligent Transportation Systems planning, support and review of travel demand model and/or intersection analyses, and other types of local and regional transportation planning projects that may be funded with local, state or federal funds. Please send electronic submissions to Julie Chizmas at juliec@nashuarpc.org by February 27, 2017 at 2:00pm. The full RFQ may be viewed at the following link http://www.nashuarpc.org/download_file/2002/.
