

## Parking Directions for NRPC Meeting Attendees

**Park in Tenant Parking Lots:** Parking is free, but a pass is required to park in the Tenant Parking Lots. Please DO NOT park in the building's upper visitor lot.

**Parking Passes:** See the security guard for a parking pass to display on your windshield. Keep this pass for future use at NRPC.

**Building Entrance:** Enter the building at the lower entrance next to the covered garage. The entrance door is locked but actively monitored by building security who can let you in.

**Intercom:** In the rare event that a security agent is not present, or your arrival is outside of a scheduled meeting time, use the intercom to call NRPC and we will buzz you in.

Take the elevator to the third floor and follow the directional signage to Suite 310.
