**Also in attendance:**

- Geoff Daly, corridor resident and potential member, Nashua

The meeting was called to order at 7pm in the Music/Art/Media room of the Nashua Public Library by Chair Kath Nelson. The meeting suffered from low attendance due to school vacation week and member travel commitments.

**604(b) Grant for River Continuity Assessment**

Those in attendance reviewed documents sent by Jill for culvert assessment training by DES on April 30th. Nelson was planning on attending the training. The general opinion on the forms was that a lot of information was listed to be collected and could be streamlined if the project budget was limited. The suggestion was for Jill to see how long the first visit took and then project how many sites she could cover. Members agreed that having Jill make a schedule and letting members know when and where she will be going out was a good approach. Members will work around Jill's schedule and try to assist. Taking photos as part of the data collection was mentioned as something that members could help with.

**Agenda Update – Renaissance Downtowns**

Kath communicated with James Vayo of Renaissance Downtowns about attending a meeting. He said that plans were being modified based on discussions with the City of Nashua related to stormwater and combined sewer overflow (CSO) issues and that he would attend when things were further along.

Meeting adjourned at 9:00 pm.

**Next LMRLAC Meeting**

The next LMRLAC meeting is currently scheduled for Thursday, May 24, 2012, at 7:00 pm at the Nashua Public Library.

Respectfully submitted,  
Karen Archambault
