

**NASHUA REGIONAL PLANNING COMMISSION
COMMENT PERIOD AND NOTICE OF PUBLIC HEARING
LOCALLY COORDINATED TRANSPORTATION PLAN**

The Nashua Regional Planning Commission (NRPC) announces, as required by Federal regulations, that it will be accepting public comments for the updated Locally Coordinated Transportation Plan (LCTP) beginning on Friday, March 13th, 2020 and closing on April 14th, 2020.

NRPC is the lead agency for Region 7 (Nashua) Regional Coordinating Council (RCC) and the designated Metropolitan Planning Organization (MPO) for the City of Nashua and the Towns of Amherst, Brookline, Hollis, Hudson, Litchfield, Lyndeborough, Merrimack, Milford, Mont Vernon, Pelham and Wilton, NH.

The purpose of the LCTP is to improve the planning and coordination of transportation-related services for older adults, individuals with disabilities, and low-income persons. Additionally, the plan is intended to assist various stakeholders such as transportation providers, coordinators, and other organizations to help individuals meet their local transportation needs. The full LCTP document will be available at 5:00 p.m. on Friday, March 13th, 2020 on the NRPC website (www.nashuarpc.org) in the Announcements section of the homepage.

A public hearing for the LCTP document has been scheduled for Wednesday, April 18th, 2020 at 7 p.m. The public hearing will take place at the NRPC office located on 30 Temple Street, Suite 310, Nashua, NH 03060.

Interested parties are invited to review, suggest and submit comments concerning the LCTP document during the comment period from March 13th, 2020 through April 14th, 2020 or at the public hearing on April 15th. Comments may be submitted via email, phone or in person at the NRPC office.

For further information or comment submission, please contact:
