Notice of Extended Office Closure

As a result of the State of NH's stay-at-home order NRPC offices will remain closed until further notice.

As previously posted, though our physical office is closed, NRPC remains open for business and staff is available by email and phone. If you need assistance, please call (603) 417-6570. You may also contact individual staff members directly.

Scheduled meetings and events remain canceled, postponed, or will be held via conference call.

Please visit www.nashuarpc.org as we continue to provide updates as the situation continues to evolve.
